RE: KARL M. DIRHAM  
LEA 90 – Attachment

On October 6, 2015, an administrative investigation was completed on Officer Karl Dirham regarding allegations of insubordination; conduct unbecoming an employee (4); falsifying official documents; repeated violations (2); violation of the following policies: Vehicle Stickers/Decals; Use of Force; Use of Recording Equipment (2); and Arrests. The allegations were **SUSTAINED**.

Chief Pete Kassetas recommended termination as discipline. Officer Dirham submitted his letter of resignation, effective October 9, 2015, in lieu of termination.

It was determined during the administrative investigation that Officer Dirham had received five complaints about his poor demeanor and unprofessionalism during violator interactions in which four could be substantiated by video evidence. The incident dates were April 5, 2014, November 27, 2014, February 14, 2015, April 20, 2015, and June 24, 2015. Officer Dirham admitted during his interview that his conduct was unbecoming an employee in all but the April 14, 2015 incident. Although the April 14, 2015 complaint involved similar allegations of him being argumentative and unprofessional, it was the only one of the incidents in which he failed to record any portion of the contact. Officer Dirham said he may have inadvertently turned off the recorder when he terminated a previous stop, but admitted to being in violation of policy.

**CALEA**

ACCREDITED LAW ENFORCEMENT AGENCY

MISCONDUCT – LEA 90  
RE: KARL DIRHAM  
OCTOBER 21, 2015  
PAGE 2

On May 1, 2015, Sergeant Leroy Gettler sent Officer Dirham an email ordering him to submit a crash report by May 7, 2015. Officer Dirham was insubordinate when he failed to respond or submit the report by the deadline.

On June 12, 2015, an inspection was conducted on Officer Dirham's vehicle due to its poor condition. During the inspection, unauthorized and inappropriate insignias were found displayed inside the vehicle. The insignias were clearly visible to the public and detrimental to the law enforcement profession as they were inappropriate and unprofessional.

During the April 5, 2015 incident, Officer Dirham arrested a female, who he reported to have become belligerent while at the office and resulted in him using force on her. Although the use of force incident was captured on the office video surveillance cameras, Officer Dirham failed to activate his digital recorder. The video evidence of the use of force incident contradicted Officer Dirham's documentation of the incident and revealed his actions were excessive. It was evident Officer Dirham escorted the female prisoner through the hallway by holding her by the back of her neck while she was handcuffed behind her back. He then pushed her against the wall two times when there was no reason to use force. Officer Dirham also admitted during his interview the force he used was not objectively reasonable. Sometime prior his use of force, Officer Dirham did not properly monitor his prisoner and admitted to violating policy.

Officer Dirham previously received a suspension on a sustained allegation of excessive use of force. Officer Dirham admitted this was the second time he was investigated for excessive force. This case involved a number of different complaints and issues that bring into question his integrity and professionalism. Officer Dirham has displayed an unfavorable pattern of conduct with little or no regard for the obligations set forth in the job specifications of a patrolman. He was made aware of these deficiencies by verbal or written counseling, to include his yearly work performance evaluation.

Respondent )

THIS MATTER comes before the Director of the New Mexico Law Enforcement Academy Board ("Director") pursuant to a Notice of Contemplated Action ("NCA") against Respondent, **KARL M. DIRHAM**. Having fully considered the evidence, the Director submits his findings and conclusions to the Board as follows:

1. Respondent has been certified as a police officer in the State of New Mexico since 2012 in accordance with the New Mexico Law Enforcement Training Act, § 29-7-1 NMSA 1978 (1997 Repl.), *et seq.*, and is subject to the New Mexico Law Enforcement Training Act and the Board's rules and regulations.

2. A Notice of Contemplated Action was issued in this matter advising Respondent that the Director had sufficient evidence which, if not rebutted or explained, will justify the Board in suspending or revoking Respondent's certification under the New Mexico Law Enforcement Training Act. The Director hereby adopts and incorporates, by reference into this Notice of Final Decision, the entirety of the Notice of Contemplated Action.

3. The Director has sufficient evidence that, if not rebutted or explained, will justify the Board in suspending or revoking Respondent's certification under the New Mexico Law Enforcement Training Act. The allegations supported by the evidence are as follows:

- a. The Respondent has been certified as a police officer under the New Mexico Law Enforcement Training Act since 2012 and remains certified at the time of filing of this Notice of Final Decision.
- b. During an administrative investigation, it was determined, the Respondent had received five complaints about his poor demeanor and unprofessionalism during violator interactions in which four could be substantiated by video evidence. The incident dates were April 5, 2014, November 27, 2014, February 14, 2015, April 20, 2015, and June 24, 2015. The Respondent admitted during his interview that his conduct was unbecoming an employee in all but the April 14, 2015 incident. Although the April 14, 2015 complaint involved similar allegations of him being argumentative and unprofessional, it was the only one of the incidents in which he failed to record any portion of the contact. The Respondent said he may have inadvertently turned off the recorder when he terminated a previous stop, but admitted to being in violation of policy.
- c. On May 1, 2015, Sergeant Gettler sent the Respondent an email ordering him to submit a crash report by May 7, 2015. The Respondent was insubordinate when he failed to respond or submit the report by the deadline.
- d. On June 12, 2015, an inspection was conducted on the Respondent's vehicle due to its poor condition. During the inspection, unauthorized and inappropriate insignias were found displayed inside the vehicle. The insignias were clearly visible to the public and detrimental to the law enforcement profession as they were inappropriate and unprofessional.

- e. During the April 5, 2015 incident, the Respondent arrested a female, who he reported to have become belligerent while at the office and resulted in him using force on her. Although the use of force incident was captured on the office video surveillance cameras, the Respondent failed to activate his digital recorder. The video evidence of the use of force incident contradicted the Respondent's documentation of the incident and revealed his actions were excessive. It was evident the Respondent escorted the female prisoner through the hallway by holding her by the back of her neck while she was handcuffed behind her back. He was made aware of these deficiencies by verbal or written counseling, to include his yearly work performance evaluation.
- g. The Director, after reviewing the matter, makes the following conclusions:

### Conclusions

1. The Board has jurisdiction over the subject matter and the Respondent, **KARL DIRHAM**.
2. Sufficient grounds exist under the New Mexico Law Enforcement Training Act to revoke or suspend Respondent's certification as a police officer in the State of New Mexico. Specifically, Respondent's acts referenced above and in the Notice of Contemplated Action are grounds for the Board to suspend or revoke Respondent's certification as a police officer in New Mexico pursuant to § 29-7-13 NMSA 1978 (Repl. Pamph 2001), and New Mexico Law Enforcement Rules 10.29.1.11 NMAC and 10.29.1.12 NMAC.
3. **THEREFORE, IT IS THE DECISION OF THE DIRECTOR THAT RESPONDENT'S CERTIFICATION (No. 12-0128-P), AS A LAW ENFORCEMENT OFFICER IN THE STATE OF NEW MEXICO SHOULD BE REVOKED.** The Director shall present this Notice of Final Decision to the New Mexico Law Enforcement Academy Board in accordance with New Mexico Law Enforcement Academy Rules and, specifically, in accordance with Rule 10.29.1.13 NMAC.
4. **Respondent may secure a hearing before the Board if the Board receives a written request for a hearing within thirty (30) calendar days from the receipt of the Director's Notice of Final Decision.
